The Honorable
Martin Heinrich

United States Representative
20 First Plaza NW, Suite 603
Albuquerque New Mexico 87102

Dear Congressman Heinrich:

The Kirtland Partnership Committee (KPC) shares your support of the New Mexico Air National Guard 150th Fighter Wing at Kirtland AFB and we are committed to helping them remain viable.

For your review and consideration, attached is a draft letter that decision makers in Congress and the Pentagon should receive, from the five members of the New Mexico Delegation; i.e. each letter signed by all five New Mexico members.

We value the 150th Fighter Wing, and we appreciate your concern, as well as the concern of the other members of the New Mexico delegation. We feel that time is of the essence and that involving the New Mexico delegation is vital. Thank you for your time on this issue.

Sincerely,

Greg A. Winegardner
Chair, Kirtland Partnership Committee
